A commitment to caring for generations

# LEAVE A *Legacy*

## **Jewish Home Family. *Your Legacy. Our Future.***

Jewish Home Family is nationally recognized as the premier provider of elder care in the State of New Jersey. This achievement is made possible by the community's dedication to our mission of caring for the residents of New Jersey, and the surrounding areas, for over 110 years.

By joining the Legacy Society, you have the opportunity to make a meaningful gift that extends far beyond today—creating a brighter, more secure future for elders in our care. Legacy giving is more than a donation; it's a commitment to sustaining vital programs and services for generations to come. Together, we can ensure that the needs of our community continue to be met, year after year.

## WAYS TO GIVE

### Endowments

Endowments may be established with a gift in your lifetime or through your will. After you create an endowment fund, you may continue to add gifts to that fund. Additional funds for your endowment may come as a bequest in your will. Your endowment fund may be named for you or someone whom you wish to honor. Endowments continue in perpetuity, remaining for generations to come, creating a meaningful legacy for individuals and their families.
